

eLearning Updates

All updates happen on the last Thursday of every month

January 2019

What's new

New! Express Videos

- Using Transparency in PR3D
- Using the Pin Manipulator Tool
- Using the Swap Piece Properties Tool
- Using Optitex Flattening
- Creating and Producing a Pattern with Printed Fabric
- Using DMC to Create MTM Styles
- Using Set Grading to Grade your Pattern

Changes

eLearning Courses

Study Guides- Study guides were added to all programs: 2D, 3D, and Applied 3D. These are downloadable from the first video of course 1 in each program.

Answer feedback- If a user gets a question wrong on the quiz and/or test, they will receive a pop up giving them the correct answer.

Replaced blurry videos- 3D courses 304 and 403 have been updated.

Closed Captioning- Closed captioning was added for all 2D videos.
